Polisport safety seats are recognized with the European Quality Trade Mark label

EQTM recognition was issued by the European Organization for Quality, which is one of the most reputable quality organizations in Europe.

The process of obtaining EQTM was professionally managed and controlled by an EQTM Committee, and enhanced the quality standards behind Polisport child seats.

EQTM could be obtained only for products of European origin, in the market over 3 years, and manufactured by companies that are able to continually sustain the agreed quality.

CHILD SEATS ACCESSORIES

- 62 AHEAD ADAPTER 64 WINDSCREEN 65 RAIN COVER

AHEAD ADAPTER

ALLOWS POLISPORT MINI SEATS TO BE INSTALLED ON BIKES WITH 1"1/8 AHEADSET

Making the world of child seats a little more accessible to everyone, and reaching the most compatibility possible between bicycle manufacturers and Polisport front seats, we have developed this Ahead Adapter - sturdy slim bracket that allow you to mount your Polisport seat to bikes with threadless stems. The Ahead Adapter is designed to accommodate adjustable stems, e-bikes with a monitor or controller at the top of the stem, and MTB with 11/8" stems. The required installation space is only 5mm.

BALANCE BIKE

EXPLORING THE WORLD IN A HEALTHY AND HAPPY WAY

Polisport Balance Bike is a training bicycle that helps little kids learn how to steer and balance. It allows children to build the confidence they will need once they are ready for a more traditional bicycle with pedals - no training wheels required! Children are seated so that their little legs can reach the ground comfortably. A built-in steering limiter also allows children to maintain control of how much they turn. Comfortable hand rubber grips, an ergonomically designed seat, and shock absorbing wheels give little riders extra comfort and confidence to iniciate their rides. Polisport Balance Bike features an adjustable seat that grows with the child.

- This item is considered a toy.Not to be used on public roads.
- It must always be used under parental supervision.

SAFETY NEVER LOOKED SO GOOD

This in-mold helmet it's the perfect choice if you are looking for a high-end helmet for your kids. This helmet features an in-mold construction and an expanded protective area to increase safety and durability. It has an adjustable dial retention system that perfectly adapts to the head. The straps are soft and lock in a 2-point safety harness, ensuring an optimal fit. If you are looking for a solution to increase your kid's visibility on the road you can now opt for the new models with LED light. The helmet is light and vented and for that reason, it won't be a problem for your kid to use it. The bug net in the front will keep the head protected. The matte finish of the model makes it even fancier.

CORK BIO

THE NEW THERMAL BOTTLE MADE FROM CORK

Cork Bio thermal bottle is made from cork, a raw material that is 100% natural, ecological, biodegradable, and

The result is a reduced CO₂ footprint, increased lightness, optimal thermal properties, and great grip performance. In the interior there's foam with an aluminium membrane to prevent the temperature of the water changing during a period of time. There's a soft tip so you can control the water flow and also a hygienic tip cover.

MATERIAL Food-grade polyethylene and cork, BPA free.

Complies with food contact regulations: Regulation 10/2011.

SUGAR CANE

THE NEW SPORT BOTTLE MADE FROM SUGARCANE

Sugar Cane bottle is made from sugarcane, a raw material that is 100% renewable and recyclable. This model is available in two different capacities - 550ml and 750ml. As a renewable raw material, sugarcane captures and fixes CO₂ from the atmosphere at each annual growth cycle. Besides these ecological features, this bottle offers an excellent squeeze performance and a new improved tip design for a better water flow.

Regulation 10/2011.
